Profile

I'm a dad of three and aspiring developer. I recently graduated with a Bachelor's Degree in Engineering (ICT) and finished my duties as creative director of Foment Entertainment, a company I helped found during my studies. Now I am looking for a steady job to support my family and start my career.

Work Experience

- Nov 2023 – May 2026
Foment Entertainment Oy, Kotka
Creative Director
For the past few years, I've been leading the ventures of our own company in Kotka leading and being part of various projects (these may be viewed on my online portfolio).
- Nov 2019 – May 2021
City of Jyväskylä
Teaching Assistant
In a complete shift in profession, I worked as a teaching assistant gaining my qualification in Education and Guidance via an apprenticeship contract at a local school.
- May 2019 – May 2020
TMI: Jani Finkbeiner, Jyväskylä
Entrepreneur
Work as a self-employed construction and renovation professional entailed sales, customer service, financial management as well as planning and carrying out the actual labor.
- Apr 2017 – Mar 2019
Jyväsk-Rakenne Oy, Jyväskylä
Construction Worker
My first job after graduating from trade school saw me as a manual construction worker building terraced houses from start to finish in a mid-sized company in Jyväskylä for just under two years before starting my own company.
